

St. Mary & St. Ann Confirmation Retreat
Wednesday, November 28, 2018
Welcome National Evangelization Team
(NET Ministry.org)

Students were asked to complete a short evaluation at the end of their retreat, below you will read their comments. I will not take good things for granted. God does not give you battle you can't handle. I connected with God during prayer time. I will focus and dedicate my life more to God. I experienced God through talk in small group and life stories sessions. I was encouraged to take Confirmation very seriously. I experienced God through feeling him and his love. Meet new people. Go to God for help and guidance. God works in many ways. The NET Ministry Team was inspirational as they shared powerful word of Jesus and to be a great disciple.

A special "THANK YOU" to Father Mens and all who volunteered to make this retreat special.
Confirmation Mass is Saturday, March 9, 2019 during the 4:30 pm Mass.
